

## ABSTRACT

The purpose of Pet Shop Management System is to automate the existing manual system by the help of computerized equipment and full-fledged computer software, fulfilling their requirements, so that their valuable data/information can be stored for a longer period with easy accessing and manipulation of the same. The required software and hardware are easily available and easy to work with. It can assist the user to concentrate on their other activities rather than concentrate on record keeping. It will help organization in better utilization of resources. The organization can maintain records without redundant entries. That means that one need not be distracted by information that is irrelevant, while being able to reach the desired information. Thus, **Pet Shop Management System** can lead to error free, secure, easy, reliable and fast management system.

## ACKNOWLEDGEMENT

We express our humble pranamas to His Holiness **Jagadguru Sri Sri Sri Shivarathri Deshikendra Mahaswamiji** who has showered their blessings on us for framing our career successfully.

The completion of any project involves the efforts of many people. We have been lucky enough to have received a lot of help and support from all quarters during the making of this project, so with gratitude, we take this opportunity to acknowledge all those whose guidance and encouragement helped us emerge successful.

We are thankful to the resourceful guidance, timely assistance and graceful gesture of our guide **Mr. Rohitaksha K**, Assistant Professor, Department of Computer Science and Engineering, who has helped us in every aspect of our project work.

We are also indebted to **Dr. Naveen N C**, Head of Department of Computer Science and Engineering for the facilities and support extended towards us.

We express our sincere thanks to our principal, **Dr. Mrityunjaya V. Latte** for having supported us in our academic endeavours.

And last but not the least: we would be very pleased to express our heartfelt thanks to all the Teaching and Non-teaching staff of CSE department and our friends who have rendered their help, motivation and support.
